**Thank you for choosing  
The Delly! We have been  
proudly serving campus  
life at UBC since 1976!**

Dear Loyal Delly UBC Customer,

Welcome and it is awesome to have you back!

Looking back, 2019 was such an exciting year for The Delly. We had the pleasure and privilege of continuing to do what we love most – serve our campus community with fresh, healthy and tasty fare. In addition, we successfully launched our Mobile Ordering service (available through the Delly App and via [www.thedelly.com](http://www.thedelly.com)) and we expanded our Campus Catering Services to allow us to better serve the evolving needs and wishes of our valued clientele.

2020 has been a uniquely challenging year for all of us. Our valued customers are always at the heart of every decision we make and action we take at The Delly UBC. Now more than ever, we are striving to be responsive and proactive to what you, our loyal customers, want and need. As we stay true to our mantra of “feeding campus life” in this unprecedented time; our team is hard at work to ensure we continue to serve fresh offerings and enticing assortments that you will love!

With this in mind, we present to you our revitalized 2021 Catering Menu. Our new Menu mindfully responds to our “new normal” with a strict adherence to WorkSafe BC and Health Canada safety protocols from creation to execution to delivery. With a focus on providing individualized catering solutions through an easy to order format, we are so excited to share this with you, our valued clientele!

Our new Menu makes it even easier for you to enjoy your Delly favorites plus more and all in your workplace, your home and/or at various life events with peace of mind and the enjoyment you have come to expect from The Delly UBC.

If you are seeking a more custom Delly catering experience, please call or email us today and we will be more than happy to create a unique and memorable menu to suit your wishes and aspirations.
